

PET POLICY AGREEMENT

To ensure a comfortable stay for yourself and your fellow guests, please read and observe the following guidelines:

We would be pleased to welcome you and your beloved, well-behaved pet to The Inn at Bay Fortune.

We understand that pets are important members of your family. We are delighted to welcome you and your four-legged companions and have established the following guidelines to ensure a comfortable and enjoyable stay for all guests.

1. **Pet Fee:** Your guest room will be charged a non-refundable cleaning fee of \$50 per pet. Pets are prohibited inside food service areas, during service, or on the Farm Tour.
2. **Pet Limit:** A maximum of two dogs are allowed per suite. Pets are allowed in designated rooms on the ground floor only.
3. We require a valid phone number where owners can be reached at any time your pet needs your attention.
4. Pet Owners are responsible for picking up after their pets and depositing waste products in the bins surrounding the property.
5. For housekeeping service, your pet must either enjoy a walk with you or comfortably inside their crate. The pet must be kept in a pet crate when hotel employees are in the room to clean or provide other services and if you plan on leaving the pet by itself. If no crate is available, guests must exit the room with the pet during housekeeping servicing. The Inn at Bay Fortune reserves the right not to enter rooms when a pet is not in a carrier. In this case, guest services will not be completed.
6. Any noise or damage caused by pets is considered unwelcome behaviour. Please ensure your pet is comfortable to avoid disturbances to other guests. If pets cause an audible disruption or any other reason for guest complaints, the Inn reserves the right to request the guest remove the pet. If the guest is not available to remove the pet, the Inn reserves the right to remove the pet and relocate it to another part of the Inn until the guest can make other arrangements.
7. No dangerous animals or animals perceived to be threatening will be allowed. If the pet threatens another pet, guest or an employee at any time, the Inn reserves the right to request the pet's removal.
8. Guests are responsible for additional cleaning or damage caused by their pets. Charges for damages will be applied to your guest room account.

We appreciate your cooperation in adhering to our pet policy to ensure a pleasant stay for you, your pets, and all our guests. If you have any questions or need assistance, please don't hesitate to contact our front desk at 902-687-3745. Thank you for choosing The Inn at Bay Fortune.
