## BABYSITTING SERVICES WITH VIRGINIA

Virginia has long been a part of the extended Inn family. Virginia is a caring mother to her three grown children and eight grandchildren, including our Chief Operating Officer, Vanessa, calling her Mom. For years, she was Michael and Chastity's Nanny to their two girls. Ariella & Camille have gotten older, but her good work of caring for children never ends. Virginia is a caring soul with a huge heart and a playful spirit. Rest assured, your children are in good hands. She even brings goodie bags with activities and toys. We even hear there may be secret visits to the kitchen for cookies.

To request babysitting services with Virginia, please contact our guest services team via email [info@innatbayfortune.com](mailto:info@innatbayfortune.com). Virginia's rate is \$25 per hour and \$5 per additional child.
