

## Job Title: Student Farm Hand

Are you a student looking to get outside and work with your hands this summer?

Would you like to join a small culinary farm at a world-class culinary destination?

***If your answer is “YES”, then The Inn at Bay Fortune might be the right fit for you!***

Nestled along the picturesque Fortune River, *The Inn at Bay Fortune* is home to a bountiful culinary farm producing a wide variety of flowers and vegetables using regenerative agricultural methods that help preserve and enhance our rich, fertile soil. The spoils from our farm are prepared and plated by our extraordinary band of chefs, who serve 68 guests nightly during our five-star culinary experience called the *FireWorks Feast*, which runs from May to November every year. Our Farm Hands play the vital role of tending to those fruits and vegetables (and a few chickens and pigs, too!) throughout the summer. Prepare to be immersed in an unforgettable, hands-on, food-forward experience.

Led by proprietors Chef Michael and Chastity Smith, *The Inn* is rooted in a shared vision of hospitality, design, and culinary excellence. Chastity has lovingly reimaged and redesigned every room and corner of the property to create a true sense of place, and together with Chef Michael, one of Canada’s most beloved TV chefs, author and PEI’s food ambassador, they’ve transformed this historic Inn into a destination where food, design, and Island culture come together in every detail.
